

Creative HALO

Powerful Portable Bluetooth Speaker with Lightshow

The Creative Halo features powerful best-in-class audio performance and comes with a fun hidden surprise: the front panel pulsates with a multi colored lightshow with a halo effect (with several lightshow patterns to choose from) that can be activated by pushing a button or with an app. Under the hood, the Creative Halo is designed with 2 full-range drivers mounted into a large reflex chamber, and together with a passive woofer delivers surprisingly big sound with enhanced bass.

- Full-range drivers and passive woofer
- Light up your music with a customizable 16.8 million color light show
- Access Lightshow presets and control them easily from your smartphone
- Up to 8 Hour Battery Life²
- It's also a speakerphone
- Aux-in connectivity for analogue audio devices
- Charges easily via a USB connection
