

Sound BlasterX Kratos S3

Analog 2.1 Gaming Speakers

Enhance your gaming experience with the Sound BlasterX Kratos S3, your ultimate desktop gaming companion. Optimized with full range satellites designed with larger volume capacity to produce clear highs and detailed midrange audio.

The custom-tuned, down-firing subwoofer with ported tube design pumps out deep dynamic bass for massive gaming, superb movie and rich bass-centric music playback without distortion.

POWERFUL 2.75" SATELLITE DRIVERS PLUS 5.25" SUBWOOFER

The full range satellites feature larger volume capacity to produce clear highs and detailed midrange audio. The custom-tuned, downfiring subwoofer with port-tube design pumps out deep dynamic bass without distortion for superb games, movies and bass-centric music.

NATURAL SOUNDING WOODEN ENCLOSURES

Built entirely out of wood for better resonance damping, the enclosures deliver fuller, warmer, more natural sound than plastic based designs.

CONVENIENT AUDIO CONTROLS

The master volume control knob and power on and off button are easily accessible on the right satellite.

HEADPHONE OUT JACK

Going for a scrim or up for some late night mayhem? Plug in any analog headset into the right satellite for a hassle-free change from speakers to something discreet.

92 WATTS PEAK POWER

Rev up your audio experience with 92 watts of pure power for that extra "oomph" in games, movies and music!

BLASTERX ACOUSTIC ENGINE AUDIO ENHANCEMENTS

Choose between 4 presets and experience real time audio enhancements like surround sound, clearer cues and bass boost.
