

Sound BlasterX Kratos S5

High-Fidelity 2.1 USB gaming speakers with customizable audio and RGB lighting

Sound BlasterX Kratos S5 delivers a pure gaming experience. From the finest details, like the high-resolution 24-bit/96kHz USB audio, custom-tuned drivers and quality wooden acoustic chambers, to the fully customizable audio enhancements with 7.1 surround sound and programmable Aurora Reactive Lighting System, every aspect is engineered to give you an immersive and enhanced acoustic experience for superb games, movies and music on your gaming rig or console.

- **PRECISION WITH POWER 24-bit/96kHz USB AUDIO**
The Sound BlasterX Kratos comes power packed with USB audio for up to 24-bit/96kHz resolution playback, leveling up your sound experience to true audio fidelity on PC/Mac like never before. You can also easily connect to other media players via analog cable.
- **WORLDS FIRST RGB GAMING SPEAKER FEATURING AURORA REACTIVE LIGHTING SYSTEM**
Fully customizable 16 million colours LED lighting. Choose from 6 presets or customize colors to match your other RGB enabled peripherals or fully integrate with other Aurora Reactive Lighting System enabled products.
- **AUDIO CONTROLS AT YOUR FINGER TIPS**
Control power and volume conveniently through the easy-access audio control pod. The pod also provides hassle-free connection for your headset and microphone.
- **BLASTERX ACOUSTIC ENGINE PRO AUDIO ENHANCEMENTS**
Experience enhanced levels of audio realism with immersive virtual 7.1 surround sound, clearer cues and bass boost through the fully customizable BlasterX Acoustic Engine Pro software for PC.
- **POWERFUL 4" SATELLITE DRIVERS WITH 6.5" SUBWOOFER**
The full range satellites of the Sound BlasterX Kratos S5 are optimized and designed with larger volume capacity to produce clear highs and detailed midrange audio. The custom-tuned, down-firing subwoofer with port-tube design pumps out deep dynamic bass for massive gaming, superb movie and rich bass-centric music playback without distortion.
- **WOODEN ENCLOSURES**
Built entirely out of wood for better resonance damping, the Sound BlasterX Kratos S5 enclosures deliver fuller, warmer, more natural sound than plastic based designs.

Technical Specifications

- Product Dimension:
 - Satellite: (HxWxD): 200 x 120 x 120 mm / 7.87 x 4.72 x 4.72 inches
 - Subwoofer: (HxWxD): 307 x 220 x 260 mm / 12.09 x 8.7 x 10.2 inches
 - Wired Volume Control: (HxØ): 38 x 68 mm / 1.5 x 2.68 inches
- Product Weight:
 - Satellite: 0.789 kg / 1.74 lbs
 - Subwoofer: 3.227 kg / 7.11 lbs
- Packaging Dimension:
 - O/Box: (HxWxD): 430 x 335 X 255 mm / 16.93 x 13.19 x 10.04 inches
 - C/Box: (HxWxD): 443 x 347 x 532 mm / 17.44 x 13.66 x 20.94 inches
- Packaging Weight:
 - O/ Box: 5.5 kg / 12.13 lbs
 - C/Box: 12 kg / 26.46 lbs
- Connector type:
 - Line In: 3.5mm Stereo Jack / RCA Jacks
 - USB Host Audio: Type B Micro USB Jack
 - Mic: 3.5mm Stereo Jack
 - Headset Out: 3.5mm 4-pole Jack
 - AC Power – 2 Pin power socket
- Color: Black
- Design:
 - USB Host audio via micro USB cable on PC or Mac
 - 3.5mm Integrated Mic in for external Mic input
 - Works with Sound Blaster Connect1 software on PC
 - Analog audio devices with a 3.5mm/ RCA output
