- Sophisticated
- Advanced Technology

Qualcomm quick-charge and USB Type-C bring rapid charging to consumer electronics pushing up the demand for capacity and increasing ASP

Bricks and Mortar dominate 88% sales in Portable Power Category

Battery Cases increase in demand

The Charging categories peak in the Summer, with

~30%

of the value in June to August. This is driven by a trend towards Power Bars and the Festival & Holiday season across Europe

2500 – 5000mAh battery capacity now controls over 50% of the market share

ASP increases from \$9.00 to \$44.00 in 4 years

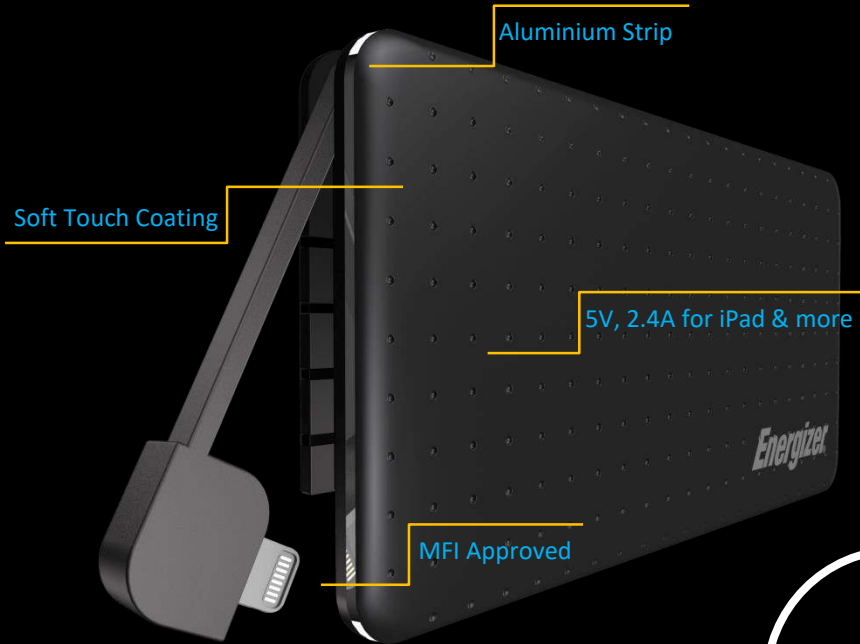

100% Growth in June 2016 – Augmented reality
