

Creative A250

Loud 2.1 speaker system with impressive bass

Experience louder audio for your movies, games and music with the A250 featuring an improved Creative IFP design that improves sonic imaging for stunning audio quality, and the newly designed Creative DSE (Dual Slot Enclosure) that enhances bass response and loudness, giving more edge details that improves the frequency distribution of the whole system.

- **Creative DSE (Dual Slot Enclosure) incorporates a truly functional, conventional port tube within a tight enclosure. This greatly improves frequency distribution of the whole system, delivering louder playback with more mid bass.**
- **Creative improved IFP (Image Focusing Plate) features a flare surrounding the satellites to improve sonic directivity and imaging, resulting in a wider acoustic sweet spot and giving music more focus while preserving tonal accuracy.**
- **Small satellite foot print ensures easy placement options**
- **Custom tuned, down firing ported subwoofer for that oomph in your music**
- **Integrated ON/OFF switch with volume control for convenience**

Technical Specifications
