

Beautiful Sound That Speaks To You

The Harman Kardon Citation Sub is a next generation wireless subwoofer. Easy to set up and use, Citation Sub blends innovation in home audio with attention to detail in design, allowing for sophisticated looks and thundering bass for movies and music when paired with Citation Bar or Citation Tower. Get the full 5.1 home theater surround sound experience without the cables. With automatic software updates, your Citation Sub will always be up to date and at its best.

Features

- ▶ Premium industrial design
- ▶ Sound quality with sophistication
- ▶ Cinematic wireless surround sound
- ▶ Ready for multi-channel surround sound
- ▶ Always the best
- ▶ Wireless Connectivity

Premium industrial design

Citation Sub blends innovation in home audio entertainment with a sophisticated and beautiful design. The premium blended wool fabric, made by Kvadrat, is dirt repellent and flame retardant.

Sound quality with sophistication

For over 65 years for Harman Kardon has been dedicated to delivering luxurious audio experiences that allow the listener to feel the music and immerse them in the moment. Citation is the ultimate expression and is the worlds first truly premium product of its kind.

Cinematic wireless surround sound

Get the full home theater surround sound experience by combining the subwoofer wirelessly with the Citation Bar and Citation Surround speakers.

Ready for multi-channel surround sound

Add a subwoofer to Citation Bar or Towers for deep, rich bass. Or even better, add a pair of Citation Surrounds for an impressive, multi-channel home theater surround sound experience.

Always the best

With automatic software updates for new features and services, your music and voice options will always be up to date and at its best.

Wireless Connectivity

No need to run audio cables to the Citation Sub, it connects wirelessly making setup a breeze.
